What data do we collect?

Our Company collects the following data:

- Personal identification information (Name, email address, phone number, etc.)
- Company details and information (Name, email address, phone number, financial etc.)

How do we collect your data?

You directly provide Our Company with most of the data we collect. We collect data and process data when you:

- Register online or place an order for any of our products or services.
- Voluntarily complete a customer survey or provide feedback on any of our message boards or via email.
- Use or view our website via your browser's cookies.

How will we use your data?

Our Company collects your data so that we can:

- Process your order, manage your account.
- Email you with special offers on other products and services we think you might like.

When Our Company processes your order, it may send your data to, and also use the resulting information from, credit reference agencies to prevent fraudulent purchases.

How do we store your data?

All data is securely protected by a system of passwords and secure server which is regularly backed up and held off site.

Our Company will keep your contact details for 3 years. Once this time period has expired, we will delete your data by removing your records from our computer system and securely shredding any hard

copies of documents other than any financial records required by law to hold.

Marketing

Our Company would like to send you information about products and services of ours that we think you might like, as well as those of our partner companies.

If you have agreed to receive marketing, you may always opt out at a later date.

You have the right at any time to stop Our Company from contacting you for marketing purposes or giving your data to other members of the Our Company Group.

What are your data protection rights?
